Dear Josh and Jenn,

Congratulations, you were selected as this year's recipients of the 2020 Gitner Family Prize!

Josh and Jenn, you are being recognized in the areas of Artistic Achievement and Pro bono contribution of outstanding professional work for a community organization with the Special Olympics of New York State.

The committee felt that your scholarly activities were exemplary. As a part of this award, you will each receive an incentive of \$500. Normally, you would have been recognized during our college commencement ceremony. Due to COVID-19, we were unable to do so. We will however, announce this recognition to our college.

Again, congratulations and thank you for submitting your work in consideration for the Gitner Family Prize. I look forward to hearing about your future work and accomplishments.

Sincerely,

Todd Jokl
